

WE'RE VERY EXCITED TO BE BRINGING THE CAMPFIRE TO YOUR SCHOOL THIS YEAR!

This document is designed to answer some common questions and provide a simple kit list for you to tick off when packing for camp. We're always very happy to answer any other questions, and we look forward to welcoming your child to their camp this summer.

WHAT HAPPENS AT CAMP?

During the day, our experienced Campfire instructors will be teaching lots of new skills to the children. They'll work in teams of up to 10, through team building tasks and then move on to bushcraft skills, like fire lighting masterclasses and survival techniques. These may also cover shelter building, water purification, basic foraging, first aid and rescue, stargazing and camp crafts to name a few.

During the evening, each team will be shown how to prepare and cook their meal on their fires. After supper, there'll be a big Campfire with stories and songs, before another day of activities starts again. Overnight, children will share our large, waterproof, single-sex bell tents in groups of around 6 per tent.

Our Campfire instructors are on site 24hrs per day, and all of them hold a current first aid qualification and are experienced leaders.

ABOUT CAMPFIRE WILD ADVENTURES

We're all about helping young people to reconnect with nature, and helping schools to deliver high quality outdoor learning. We operate from a 3,500 acre private estate in the Cotswolds, and we also mobilise our setup, so we can bring the Campfire to the school. We run camps that are safe, engaging, and fun.
