Dates for the Diary

Another term has come to a close and what a fabulous way to end it by honouring the Queen's Platinum Jubilee. The atmosphere throughout the school was one of joy and celebration. It was lovely to see the children working in their family groups again for the first time in over two years. They took part in lots of fun activities including croquet on the field, pin the crown on the Queen, egg and spoon races, making collages of the Queen, Union Jack flags and bunting, a large Union Jack made with every child's hand print, singing of the national anthem and of course our street party style Jubilee lunch on the playground. We would like to thank the Friends of St Mary's who funded the purchase of a commemorative medal for every child in school, we hope they will cherish them and look back on them in years to come with happy memories of this very special occasion.

I wish you all an enjoyable week off, fingers crossed for some sunshine. Enjoy the break and I look forward to welcoming you all back refreshed and ready for the last term of this academic year.
