Dates for your diary

We have had another successful couple of weeks here at St Mary's, with children continuing to show enthusiasm, curiosity, and care for one another. This term and next, our school community is exploring the global theme of social justice. Across the curriculum, children are learning how people have worked together to build fairer societies, both in the past and today. Year 6 have been studying social reform in the Victorian era, while Years 3 and 4 are exploring how life changed in the late Stone Age. Our Key Stage 1 children have learned about Mary Carpenter and her commitment to making education accessible to all. This learning will be developed further in our Monday assemblies, where we will reflect on social justice in our world, our school, and our local community. Most recently, we considered the power of words - please see the section below for how you can support this important message at home.

Assembly Focus: The Power of Words

In assembly last week, we explored how words can help people feel safe, welcome, and valued, or cause hurt if used carelessly. Children discussed how they sometimes hear words online, from older children, or from adults, and why it's important not to repeat words they don't understand.

We reflected on Proverbs 16:24, which teaches that kind words have the power to heal and encourage others, reminding us to choose language that builds people up. Parents can support this by talking with children about the words they hear, encouraging questions, and modelling respectful language at home.

Swimming Gala

Congratulations to our year 5/6 swimming team who took part in the South Glos Schools swimming gala on Saturday 17th January. All the children swam amazingly well and were great ambassadors for the school. A special well done should go to Darby who came 2nd overall in the 50m freestyle.

Thank you to Miss Stell and all the parents for giving up their Saturday evening to support the children and school.

Valentine's Day

Here at St Mary's, we will not be celebrating Valentine's Day in school. Instead, we focus on showing kindness, friendship, and care for one another each day, rooted in our Christian values. If families would like to exchange cards or gifts, we kindly ask that this is done outside of school. Thank you for your support.

Relay for Life – Yate

Yate Relay for Life is a 24hour team event being held this year from 12pm on the 11thJuly to 12pm on the 12thJuly. It's a wonderful community event to raise vital funds for Cancer Research UK
